FACULTY DEVELOPMENT PROGRAMME ON "ENTREPRENEURSHIP DEVELOPMENT"

18th SEP - 22nd SEP 2017 at Department of Humanities & Management Studies, GZSCCET Bathinda

About NITTTR, Chandigarh

Since its inception in 1967, NITTTR (formerly TTTI) Chandigarh has made rapid strides in the areas of engineering and technology and emerging areas like computer, educational technology, entrepreneurship development, rural development, industry-institute interaction and educational management. Presently, the institute conducts more than 400 short-term training programs annually for polytechnics and engineering college's teachers, professionals and managers of industries. The institute also conducts a large number of AICTE sponsored summer and Winter Schools every year. The institute offers postgraduate programs in engineering education through regular and modular modes. In addition to education and training programs, the institute renders extension services to Polytechnics, undertakes research and development projects and develops print and non-print instructional material.

GZSCCET, Bathinda

Giani Zail Singh Campus College of Engg. and Tech., Bathinda is the first institute in Punjab established with the full funding of state government in the year 1989 when the hon'ble Governor of Punjab Sh.S.S.Ray laid the foundation stone on 23rd October, 1989. Initially set up as Government Engineering College, it was converted in to an autonomous institute in the year 1992 and a "Board of Governors" (BOG) was constituted to manage the affairs of the College. The College was then upgraded in 2011 as a Campus of Punjab Technical University Jalandhar under the name GZS PTU Campus, Bathinda. Now College is elevated as a

constituent college of Maharaja Ranjit Singh Punjab technical university in 2015 and provides an excellent academic environment under the able guidance of well-qualified and highly dedicated faculty.

Department of Humanities & Management Studies

The department of Humanities & Management Studies was established in 2012 with an ambition to sharpen the management and entrepreneurial skills among the youth of Punjab. The department is consistently working upon the development of entrepreneurial spirit among the young graduate and guide them towards new dimensions of business. Presently, the department supports various disciplines in B.Tech, M.Tech programmes of the institute and offers two year MBA (Finance, HR, Marketing, IT, Operations and Retail Management) and Ph.D. in Management and its allied areas. Major strength of the department is its dedicated faculty with vast teaching and research experience. The faculty of department is involved in the diversified research areas of Corporate Finance, Marketing, HR, Entrepreneurship Development and other allied areas.

How to reach GZSCCET, Bathinda

The College is located on the out skirts of Bathinda on Dabwali road. Route is well connected via rail and road.
