- [4. How the Project shall be implemented at the selected States?](#)
- [5. How the Project shall be implemented at the institutional level?](#)

*(Note: Click on the questions above for the respective answer)*

### **1. What is the goal of Technical Education Quality Improvement Programme (TEQIP)?**

Technical Education Quality Improvement Programme (the Programme) aims to scale up and support ongoing efforts of the Government of India to improve quality of Technical Education and enhance existing capacities of the institutions to become dynamic, demand-driven, quality conscious, efficient and forward looking, responsive to rapid economic and technological developments occurring at the local, State, National and International levels. It has a clear focus on the objectives to improve the overall quality of existing engineering educational programmes.
